Dear Steve,

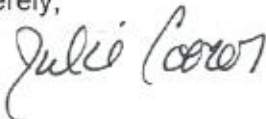

We are grateful for your gift of \$1,500.00 received on Tuesday, January 24, 2017. As requested, your donation has been designated to support the Architectural Woodwork Institute WI Chapter Scholarship.

Due to donations such as yours, the Fox Valley Technical College Foundation awards several hundred scholarships to talented, hard-working, and deserving students each year. Our partnership provides financial support that contributes to the success of our students, and ultimately the quality of our regional workforce.

In the words of a recent recipient, "Receiving this scholarship means I get positive reinforcement. That drives me more than words can express. It gives me such a feeling of accomplishment knowing someone is backing me and wants me to succeed."

We appreciate your confidence in the work we do and are grateful for your investment in our students.

Sincerely,

Julie Coenen
