

# AWI Wisconsin Chapter Building Peak Performance Teams

Jennifer Zimmermann, Founder and Talent Strategist of Catch All Business Solutions LLC, has a passion for helping businesses grow and develop by executing on strategies and developing talent. Her peak performance system effectively overcomes the bottlenecks that prevent results and performance. Are you ready to build a peak performance team?

As a special kickoff to 2021, AWI Wisconsin will be offering a 3 part series entitled "Building Peak Performance Teams". Join us for the kickoff and overview in January followed by 2 half day events in February where we will deep dives into the 5 core competencies every team needs in order to achieve peak performance. The 5 competencies include Self/Team Awareness, Problem Solving, Accountability, Conflict Management, and Continuous Improvement Mindsets.
