MARKETING VENUE FOR AWI WI CHAPTER MEMBERS (By Jim Buege)

The AIA Wisconsin Convention is Wednesday and Thursday, May 7th and 8th in Madison, WI. AWI Wisconsin Chapter will have a booth at the event with the capability of showcasing our member's work to the architectural community. What we need are photos or videos of their installed work. The due date for a response is April 25th. These images may be displayed to the AIA Membership at the AWI WI Booth.

AWI WI ANNUAL CHRISTMAS AND HOLIDAY PARTY (By Greg Bednar)

On Saturday, December 28th, 2013... The AWI Wisconsin Chapter held it's first ever "Curling" Christmas/Holiday Party. Based upon the feedback from those in attendance, this could be the start of a new tradition for the Wisconsin chapter. The event was held at the Kettle Moraine Curling Club, where Past Chapter President, Jim Buege, maintains a membership. For those unfamiliar with curling, the Olympic Sport is where players slide "stones" across a sheet of ice towards a target area, segmented by colored rings. Curling requires skill, patience, and balance... as well as some very supportive team members, all which were in place Saturday. Following "curling," Jim Buege and his wife took on the "chef" role and cooked everyone a truly sumptuous meal. Everything was exceptional! AWI Wisconsin Chapter President, Jerry Finch conducted a short business meeting, followed by trivia and games we won't soon forget. Jerry also gifted a "Finchworks", hand crafted exotic wood "back scratcher" to everyone in attendance. All enjoyed the company and the spirit of the season... and we're looking forward to replicating the event next year. For those who missed the opportunity, we invite you to attend our next meeting and to share in the fun...See you soon!
